PRINCIPAL'S MESSAGE

It's been a great year for the students of KV Ukhurul, as we enter a new stage of learning and discovery.

We live today in a world that is so very different from the one we grew up in, the one we were educated in. The world today is changing at such an accelerated rate and we as educators need to pause and reflect on this entire system of Education.

The CMP NEWSLETTER, our dedicated publication is a step forward in the direction of promoting and showcasing the creativity and innovation among the talented pool of students and the teachers.

I would like to express my deep gratitude to Sh. Binod Kumar Behera, the worthy Deputy Commissioner, KVS RO, Tinsukia for rendering support, guidance and inspiring us in our enduring commitments.
